

MEMORANDUM FOR: Deputy Chief, Personnel Security Division

SUBJECT: _____

Post-Polygraph Interview by
Personnel Security Division

On this date, Subject was afforded an interview by the undersigned to determine her reactions to the Interrogation Research Interview which she had undergone previously.

The purposes of the PSD Interview were:

To surface and relieve excessive anxiety, if any, in the Subject attributable to the IRD Interview.

To surface and report on any factors suggesting that the Subject's reaction to the IRD Interview might lead to future security or personnel problems.

RESULTS

☐ Subject, a 17 year old, was not technically interviewed by IRD.

☐ PSD Interview was entirely satisfactory----Nothing noteworthy to report.

☐ Subject was critical of the IRD Interview.

☐ Subject's reaction to IRD Interview could lead to future security or personnel problems. (see attached)
